

COMING SOON... Remine Pro

Dear Members,

Remine Pro will be available to all WRIST members starting on 4/12/2023!

Remine is a sleek, modern MLS front-end solution designed by agents for agents. It provides all the essential MLS functions that REALTORS® need to do business – outside of listing add/edit. Available via desktop or mobile app, it's your one-stop-shop for property searches, predictive analytics, engaging with clients, branded CMAs, and more!

Sign up for a training webinar below to learn about the new upgraded features included with your WRIST membership:
